ROAD TESTERS

Baxter International	Ontario Power Generation
BP	Petro-Canada
CODELCO	PricewaterhouseCoopers road tested with companies in the European non-ferrous metal sector
Dow Chemical Canada	Public Service Electric and Gas
Duncans Industries	Shree Cement
DuPont Company	Shell Canada
Ford Motor Company	Suncor Energy
Fortum Power and Heat	Tokyo Electric Power Company
General Motors Corporation	Volkswagen
Hindalco Industries	World Business Council for Sustainable Development
IBM Corporation	World Resources Institute
Maihar Cement	500 PPM – road tested with several small and medium sized companies in Germany
Nike	
Norsk Hydro	

CONTRIBUTORS

Dawn Fenton	ABB	David Cahn	California Portland Cement
Paul-Antoine Lacour	AFOCEL	Molly Tirpak	California Climate Action Registry
Ron Nielsen	Alcan	David Olsen	California Climate Action Registry
Steve Pomper	Alcan	Alan D. Willis	Canadian Institute of Chartered Accountants
Kenneth Martchek	ALCOA	Ellina Levina	Center for Clean Air Policy
David Jaber	Alliance to Save Energy	Steve Winkelman	Center for Clean Air Policy
Alain Bill	Alstom	Paul Blacklock	Calor Gas Limited
Walter C. Retzsch	American Petroleum Institute	Mark Fallon	CH2M Hill
Dale Louda	American Portland Cement Alliance	Lisa Nelowet	CH2M Hill
Tom Carter	American Portland Cement Alliance	Charlene R. Garland	Clean Air-Cool Planet
Ted Gullison	Anova	Donna Boysen	Clean Energy Group
John Molburg	Argonne National Laboratory	Jennifer DuBose	Climate Neutral Network
Fiona Gadd	Arthur Andersen	Sue Hall	Climate Neutral Network
Scot Foster	Arthur D. Little	Michael Burnett	Climate Trust
Mike Isenberg	Arthur D. Little	Elizabeth Arner	CO2e.com/Cantor Fitzgerald
Chris Loreti	Arthur D. Little	Fernando E. Toledo	CODELCO
Bill Wescott	Arthur D. Little	Bruce Steiner	Collier Shannon Scott
Thomas E. Werkem	Atofina Chemicals	Lynn Preston	Collins & Aikman
David Harrison	Australian Greenhouse Office	Annick Carpentier	Confederation of European Paper Industries
Linda Powell	Australian Greenhouse Office	Sonal Pandya	Conservation International
James Shevlin	Australian Greenhouse Office	Michael Totten	Conservation International
Bronwyn Pollock	Australian Greenhouse Office	Dominick J. Mormile	Consolidated Edison Company
Jean-Bernard Carrasco	Australian Greenhouse Office	Satish Malik	CTI Project
William Work	BASF Corporation	Fred Zobrist	CTI Project
Ronald E. Meissen	Baxter International	Ian Lewis	Cumming Cockburn Limited
Nick Hughes	BP		
JoAnna Bullock	Business for Social Responsibility		

Raymond P. Cote	Dalhousie University	Chris Evers	European Commission
Markus Lehni	Deloitte & Touche Experta	Urs Brodmann	Factor Consulting and Management
Mr. Tost	Deloitte & Touche	Michael Savonis	Federal Highway Administration
Einar Telnes	Det Norske Veritas	Anu Karessuo	Finnish Forest Industries Federation
Philip Comer	Det Norske Veritas	Tod Delaney	First Environment
Scott Noesen	Dow Chemical Company	James D. Heeren	First Environment
Paul Cicio	Dow Chemical Company	James T. Wintergreen	First Environment
