

**How is the health of our coral reef?
What have we done as a region to protect it
What was done well and what needs to be done better?**

The Healthy Reefs Initiative (HRI), in collaboration with the World Resources Institute (WRI), invites your media outlet to the:

**Launch and Press Conference
In
BELIZE
of the
*“2011 Eco-Audit of the Mesoamerican Reef Countries”***

This evaluation will show the Mesoamerican Reef’s conservation and management efforts made by NGO’s, researchers, authorities and private sector from Mexico, Honduras, Guatemala and Belize. We’ll be glad to see you this:
